Dear Mr. Kinard:

EPA acknowledges the changes made in the Addendum to the Final Areawide Environmental Impact Statement (FAEIS) for the Central Florida Phosphate District (CFPD) that was originally filed on April 26, 2013. It is our understanding that this Addendum does not significantly change the FAEIS or conclusions found in the FAEIS. EPA commented on this FAEIS in a letter dated June 20, 2013 and EPA's position expressed in this letter remains unchanged.

EPA appreciates the opportunity to review the Addendum. If you wish to discuss our comments, please contact me at 404-562-9611 or Jamie Higgins.

Sincerely,

A handwritten signature in blue ink that reads "H. Mueller".
