Dear Ms. Roberts:

This letter serves as notification to EPA that the Forest Service is planning to adopt the FERC Environmental Impact Statement titled “Jordan Cove Energy and Pacific Connector Gas Pipeline Project Final Environmental Impact Statement” as part of our agency's NEPA analysis and our decision making process.

This environmental impact statement (EIS) was produced by the FERC staff and other federal cooperating agencies to comply with the National Environmental Policy Act (NEPA). The Forest Service was a cooperating agency with FERC on this project.

If you have any questions, please feel free to contact me at 541-825-3150.

Sincerely,

WES YAMAMOTO
Forest Service Project Manager
